

This architectural floor plan depicts a long, symmetrical building, likely a residential or institutional structure. The plan is divided into two main halves by a central vertical axis. Each half contains a series of rooms, including bedrooms, bathrooms, and living areas, arranged around a central corridor system. The building features multiple stairwells and a central entrance area. The plan is rendered in black lines on a white background, with some rooms shaded in light gray. The overall layout is highly organized and symmetrical.

Architectural floor plan of a bathroom with dimensions in centimeters. The plan shows a bathtub (180x70 cm), a toilet (65x34 cm), a shower area (86x76 cm), and a vanity unit (60x60 cm). The total dimensions are 210x390 cm. A scale bar indicates 1:20.
